

Unlocking Opportunity: SDVOSB Certification for Veterans

Empowering veteran-owned
businesses in government
contracting

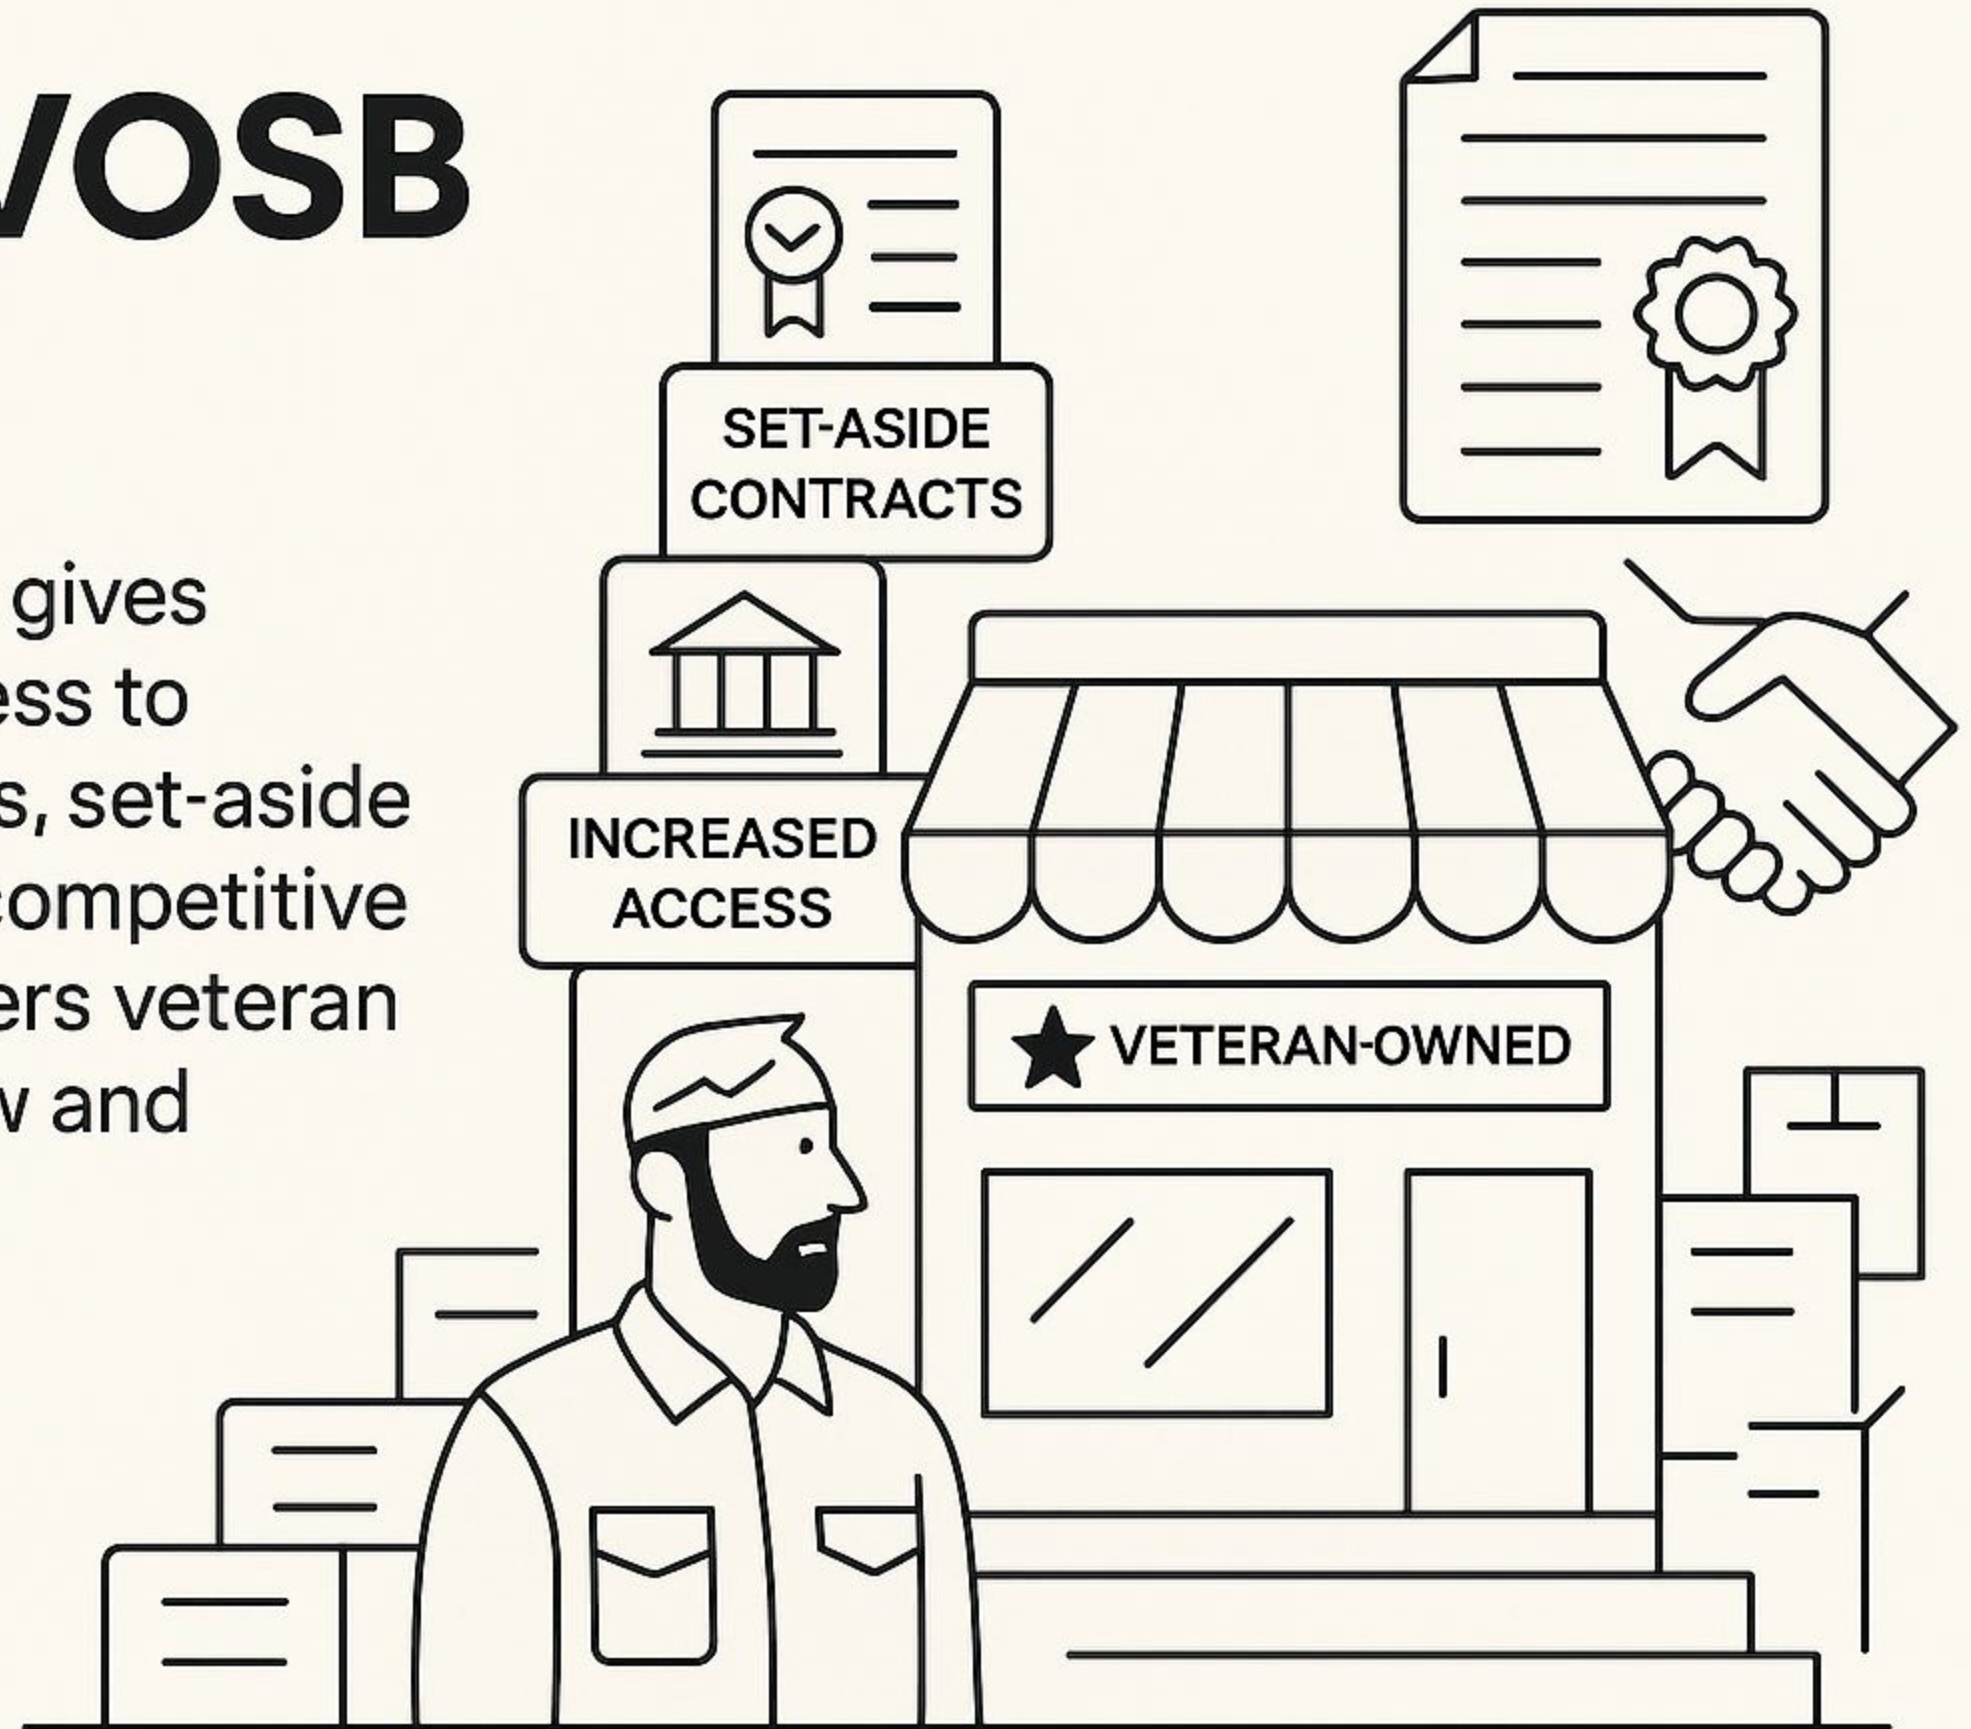

What is SDVOSB Certification?

Service-Disabled Veteran-Owned Small Business (SDVOSB) certification is a federal designation for businesses owned and controlled by service-disabled veterans. It provides eligibility for special government contracting opportunities.

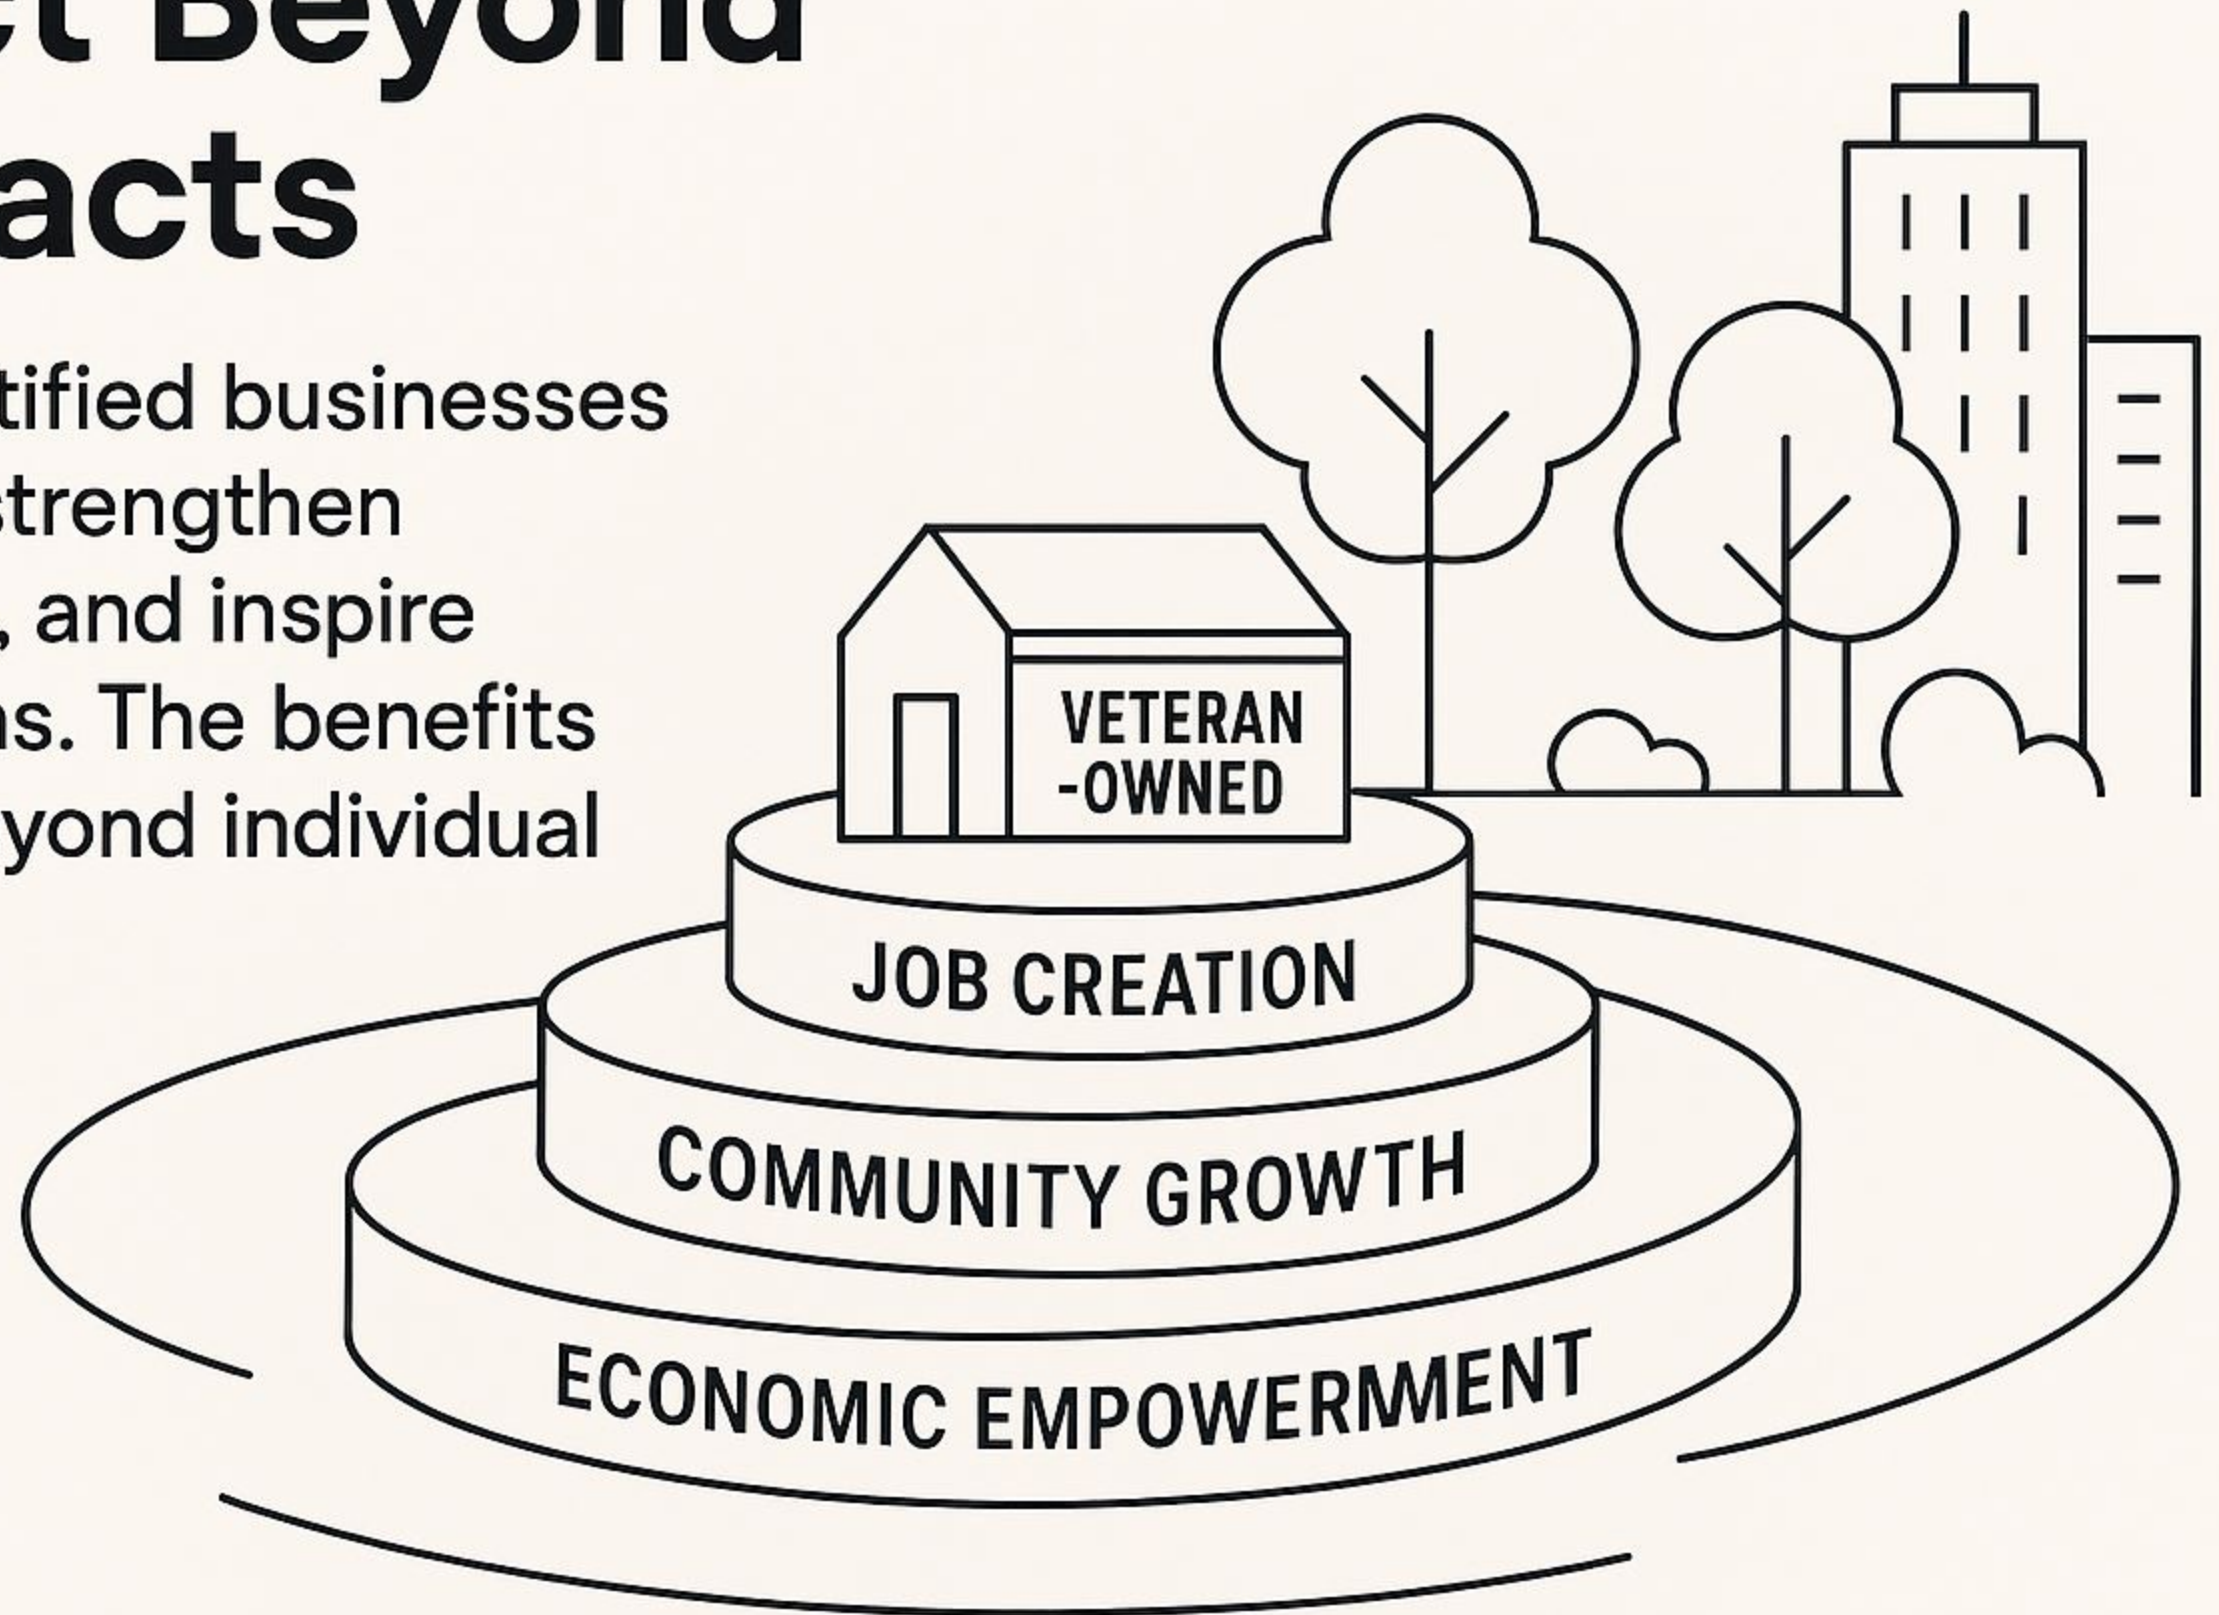

Why SDVOSB Matters

SDVOSB certification gives veterans priority access to government contracts, set-aside opportunities, and a competitive advantage. It empowers veteran entrepreneurs to grow and succeed.

Impact Beyond Contracts

SDVOSB-certified businesses create jobs, strengthen communities, and inspire other veterans. The benefits extend far beyond individual contracts.

Seize Your Opportunity

SDVOSB certification opens doors for veterans—take the next step in government contracting.
